

50 Best Tailwaters to Fly Fish: An Angler's Guide to World-Class Trout Fishing

Welcome to the hallowed waters of 50 of the world's most renowned tailwaters, where trophy trout lurk amidst breathtaking landscapes. In this comprehensive guide, renowned anglers and expert fly fishers take you on an unforgettable journey to uncover the secrets of these legendary fisheries.

Tailwaters, the tail ends of dams where cold, oxygenated water releases create ideal trout habitats, offer an unparalleled fishing experience. The combination of steady currents, abundant food sources, and pristine conditions fosters thriving populations of large, healthy trout.

From the iconic Snake River's Wyoming stretch to the majestic Delaware River in Pennsylvania, this book meticulously explores 50 tailwaters across North America and beyond. Each destination is meticulously described, providing:
