

Canoeing With The Cree: A Timeless Adventure Celebrates 75 Years of Inspiring Readers

In 1949, American journalist Eric Sevareid embarked on a canoe trip through the remote Canadian wilderness with a group of Cree guides. The resulting book, "Canoeing With The Cree," became an instant classic, earning widespread acclaim for its vivid descriptions of the stunning landscape, its insights into Cree culture, and its powerful message about the importance of environmental conservation.

75 years later, "Canoeing With The Cree" remains as relevant and inspiring as ever. The book has been translated into multiple languages and continues to be read by outdoor enthusiasts, nature lovers, and anyone interested in the human experience. Its enduring popularity is a testament to the timeless appeal of Sevareid's writing and the enduring power of the wilderness to captivate and inspire.

Those who have paddled the same rivers as Sevareid and his companions will recognize the accuracy of his descriptions. The book's detailed accounts of the Cree's hunting and fishing techniques, their spiritual beliefs, and their deep connection to the land provide a valuable glimpse into a culture that has lived in harmony with the wilderness for centuries.

Beyond its cultural and historical insights, "Canoeing With The Cree" is also a powerful reminder of the importance of environmental conservation. Sevareid writes with great passion about the beauty of the wilderness and the need to protect it from the ravages of industrial development. His words are a timely warning about the consequences of unchecked human expansion and a call to action for those who care about the future of our planet.

In addition to its literary and environmental merits, "Canoeing With The Cree" is also a thrilling adventure story. Sevareid and his companions faced numerous challenges during their journey, including treacherous rapids, relentless storms, and encounters with wildlife. Their courage and determination in the face of adversity is an inspiration to all who read their story.

The 75th anniversary edition of "Canoeing With The Cree" includes a new by award-winning author Bill McKibben, who provides a contemporary perspective on the book's themes and its relevance to today's environmental challenges. McKibben writes, "Sevareid's book is a reminder that the wilderness is not something to be feared or conquered, but rather a place to be cherished and protected." With its powerful message and its timeless appeal, "Canoeing With The Cree" is a book that will continue to inspire and educate readers for generations to come.

About the Author

Eric Sevareid (1912-1992) was an American journalist, radio commentator, and author. He was best known for his work as a CBS News correspondent and commentator, and for his writings on foreign affairs and environmental issues.
