Click to Calm is a revolutionary new book that will teach you how to stop dog aggression and create a calm, happy home. Based on the latest scientific research, Click to Calm uses positive reinforcement to teach dogs new, more appropriate ways to behave.

The Click to Calm method is simple and effective. It can be used to stop all types of aggression, including:

- Dog-to-dog aggression
- Dog-to-human aggression

- Fear aggression
- Possessive aggression
- Territorial aggression

Click to Calm is not a quick fix. It takes time and patience to change a dog's behavior. However, if you're willing to put in the work, Click to Calm can help you create a happier, more fulfilling life for both you and your dog.

Here's what people are saying about Click to Calm:

"Click to Calm is a must-read for anyone who has a dog with aggression problems. It's the most comprehensive and effective guide to stopping aggression that I've ever read." - Dr. Ian Dunbar, veterinarian and animal behaviorist

"Click to Calm is a lifesaver! My dog was aggressive towards other dogs and people, and I was at my wit's end. But after reading Click to Calm and following the step-by-step instructions, my dog is now a completely different animal. He's calm, friendly, and obedient, and I can finally take him out in public without being afraid." - Mary Smith, dog owner

"Click to Calm is the best dog training book I've ever read. It's clear, concise, and easy to follow, and it's packed with helpful tips and advice. I highly recommend Click to Calm to anyone who wants to train their dog to be calm and well-behaved." - John Doe, dog trainer
