

Everybunny Count: A Charming and Educational Picture Book for Young Learners

Everybunny Count! by Ellie Sandall

★★★★☆ 4.6 out of 5

Language : English

File size : 25631 KB

Screen Reader : Supported

Print length : 32 pages

The story follows a group of bunnies as they hop and skip through the forest. Along the way, they encounter a variety of objects, from carrots to mushrooms to berries. As they count each object, the bunnies learn about the different numbers and their corresponding quantities.

Sandall's illustrations are simply stunning. The bunnies are adorable and expressive, and the forest setting is lush and inviting. The bright colors and bold lines will appeal to young children, and the detailed illustrations will provide plenty of opportunities for discussion and learning.

In addition to being educational, Everybunny Count is also a lot of fun. The bunnies' antics are sure to make children giggle, and the rhyming text is easy to read and remember. This book is a great way to introduce young children to the world of numbers and counting, and it's sure to become a favorite bedtime story.

Here are some of the things that make Everybunny Count a great book for young learners:

- The illustrations are vibrant and engaging.
- The story is simple and easy to follow.
- The rhyming text is fun to read and remember.
- The book teaches children about counting and numbers.
- The book is a great way to introduce young children to the world of numbers and counting.

If you are looking for a charming and educational picture book to teach your young child about counting and numbers, then Everybunny Count is the perfect book for you. With its adorable illustrations, engaging story, and easy-to-understand concept, this book is sure to be a hit with preschoolers and kindergarteners alike.
