## **Understanding the FCAT Biology EOC**

The FCAT Biology EOC is a standardized exam administered to high school students completing a biology course in Florida. It assesses students' understanding of the Florida Biology State Standards and their ability to apply biological concepts in real-world scenarios.

The exam is divided into three sections:

1. **Biology I (50%):** Cell biology, molecular biology, genetics, and evolution
2. **Biology II (35%):** Plant and animal anatomy and physiology
3. **Science Inquiry and Processes (15%):** Scientific method, experimental design, and analysis

The exam is graded on a scale of 1 to 5, with 5 being the highest score. To earn a passing score of 3 or higher, students must demonstrate a solid understanding of the key concepts and their ability to apply them in various contexts.
