By Elena Ferrante

Translated by Ann Goldstein

Frantumaglia is a collection of Elena Ferrante's notebooks, offering an intimate glimpse into the mind of one of the most celebrated writers of our time. These notebooks contain everything from Ferrante's early drafts of her novels to her thoughts on writing, literature, and life. Frantumaglia is a fascinating read for anyone interested in Ferrante's work or in the creative process in general.

A Window into Ferrante's Mind

Frantumaglia is a unique opportunity to see how Ferrante's mind works. Her notebooks are full of insights into her writing process, her characters,

and her themes. Ferrante is a master of her craft, and her notebooks reveal the hard work and dedication that goes into her writing.

In one notebook, Ferrante writes about her struggles to write the opening chapter of her novel *The Days of Abandonment*. She experiments with different voices and points of view, trying to find the best way to tell the story. In another notebook, she reflects on the character of Lila Cerullo, the protagonist of her Neapolitan Novels. Ferrante writes about Lila's strength, resilience, and complexity, and how she has come to love and admire this character.

A Source of Inspiration

Frantumaglia is not only a fascinating read, but it is also a source of inspiration for writers. Ferrante's notebooks are full of wisdom and insights that can help writers at any stage of their careers. Ferrante writes about the importance of revision, the power of imagination, and the need to find your own voice.

If you are a writer, or if you are simply interested in the creative process, I highly recommend reading *Frantumaglia*. It is a book that will stay with you long after you finish it.

Praise for *Frantumaglia*

"*Frantumaglia* is a rare and precious gift from one of the world's most beloved writers. These notebooks offer an intimate glimpse into Ferrante's creative process, and they are full of wisdom and insights for writers and readers alike." — Jhumpa Lahiri

"Frantumaglia is a fascinating and inspiring read. Ferrante's notebooks are full of insights into her writing process, her characters, and her themes. This book is a must-read for anyone interested in Ferrante's work or in the creative process in general." — The New York Times

"Frantumaglia is a treasure trove for Ferrante fans. These notebooks offer a glimpse into the mind of one of the most original and important writers of our time." — The Guardian
