In the heart of the Roaring Twenties, a decade of glamour, excess, and danger, three women find themselves caught in a web of crime, corruption, and intrigue. Help It 1928, the first book in the Help It Trilogy, is a gripping historical thriller that takes readers on a wild ride through the underbelly of New York City.

Evelyn "Evie" Reed is a young woman from a wealthy family who dreams of becoming a doctor. But when her father loses everything in the stock market crash, she is forced to take a job as a secretary to support her family. It is there that she meets Michael "Mickey" Malone, a charming but dangerous bootlegger.

Rose "Rosie" Kelly is a working-class Irish immigrant who has come to America in search of a better life. She finds work as a waitress in a

speakeasy, where she meets Johnny "Legs" Diamond, a ruthless gangster who falls in love with her.

Nellie "Nel" Martin is a young African-American woman who has always had to fight for everything she has. She works as a maid in a hotel, where she witnesses the rampant racism and inequality of the time. When she meets Evie and Rosie, she finds a sense of belonging she never had before.

As these three women's lives intersect, they become entangled in a dangerous game of cat and mouse with the police, the mob, and each other. They must use all of their wits and courage to survive in a world where the lines between right and wrong are blurred.

Help It 1928 is a fast-paced, action-packed thriller that will keep readers on the edge of their seats from beginning to end. The characters are complex and well-developed, and the story is both suspenseful and thought-provoking. This is a must-read for fans of historical fiction, crime thrillers, and strong female characters.
