In the midst of the devastating battle to liberate Mosul from ISIS, a group of unsung heroes emerged: the humanitarian workers. These brave men and women risked their lives to provide food, water, shelter, and medical care to the hundreds of thousands of civilians who were caught in the crossfire.

Humanitarian Warriors in the Battle of Mosul tells the story of these extraordinary individuals, revealing the courage, compassion, and resilience they displayed in the face of unimaginable challenges. Through gripping firsthand accounts, the book brings to life the horrors of war and the indomitable spirit of those who fought to make a difference.

The book follows a diverse cast of characters, including:

- **Dr. Zahra al-Bayati**, a female Iraqi surgeon who risked her life to operate on wounded civilians under fire.
- **Father Daniel Saad**, a Chaldean Catholic priest who provided spiritual comfort and humanitarian assistance to the displaced.
- **Hamid Abed**, a Kurdish aid worker who coordinated the distribution of food and supplies to besieged communities.
- **Sarah Taylor**, a British nurse who volunteered with the International Red Cross to provide medical care to the wounded.

These are just a few of the many humanitarian warriors who played a vital role in the liberation of Mosul. Their stories are a testament to the power of hope and the human spirit, even in the darkest of times.

Humanitarian Warriors in the Battle of Mosul is a must-read for anyone who wants to understand the true cost of war and the extraordinary role that humanitarian workers play in mitigating the suffering of civilians.
