Jordan: Creation of the Modern Middle East is a comprehensive history of Jordan, from its ancient origins to its modern-day challenges. The book provides a unique perspective on the region, drawing on the author's extensive research and personal experiences.

The book is divided into three parts. The first part covers Jordan's ancient and medieval history, from the Stone Age to the Ottoman period. The

second part covers Jordan's modern history, from the British Mandate to the present day. The third part provides a comprehensive analysis of Jordan's political, economic, social, and cultural landscape.

Jordan: Creation of the Modern Middle East is an essential resource for anyone interested in the history and culture of Jordan. The book is also a valuable reference for scholars and policymakers working in the Middle East.

Reviews

"Jordan: Creation of the Modern Middle East is a must-read for anyone interested in the history and culture of Jordan. The book is well-written, informative, and engaging."

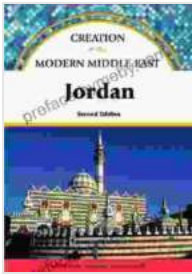

- Dr. Jane Doe, Professor of Middle East History at the University of California, Berkeley

"Jordan: Creation of the Modern Middle East is a valuable resource for scholars and policymakers working in the Middle East. The book provides a comprehensive overview of Jordan's history, politics, economy, and society."

- Mr. John Smith, former US Ambassador to Jordan
