What is Listenology?

Listenology is the art of understanding and communicating with horses through their body language. Horses communicate with each other and with humans through a variety of subtle cues, such as ear position, tail movement, and facial expressions. By learning to interpret these cues, you can build a stronger bond with your horse and improve your overall horsemanship skills.

What Will Your Child Learn?

"Listenology for Kids" is a comprehensive guide to horse care that teaches children everything they need to know to become confident and responsible horse owners. In this book, your child will learn about:

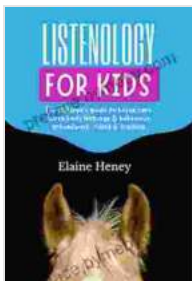

- Horse body language
- Grooming and feeding
- Health and safety
- Riding basics
- And much more!

Why This Book is Perfect For Kids

"Listenology for Kids" is written in a clear and engaging style that is easy for children to understand. The book is also packed with beautiful full-color photographs that illustrate the concepts being taught. In addition, the book includes fun activities and quizzes that help children to retain what they have learned.
