The book follows the journey of a young golfer named Johnny Miller. Miller is a talented golfer, but he is struggling to reach his full potential. He is plagued by inconsistency and self-doubt. McLean takes Miller under his wing and teaches him the importance of focus, visualization, and mental toughness.

Under McLean's guidance, Miller begins to improve his game. He learns to control his swing, focus on the target, and believe in himself. Miller

eventually goes on to win a major championship and become one of the most successful golfers in the world.

Look Where You Want To Putt The Ball is more than just a golf instruction book. It is a story about the power of belief, determination, and hard work. It is a book that will inspire golfers of all levels to reach their full potential.

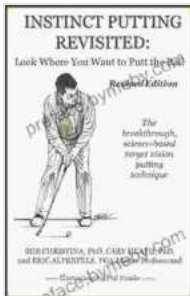

Here are some of the things you will learn in Look Where You Want To Putt The Ball:

- The importance of focus and visualization
- How to control your swing
- How to develop a pre-shot routine
- How to putt like a pro
- How to chip like a pro
- How to drive the ball long and straight
- How to hit your irons consistently
- How to play from the fairway and the rough
- How to play in bunkers
