Once upon a time, there was a little girl named Lily who loved her stuffed dinosaur, Babysaur, more than anything in the world. She took him everywhere with her, and they went on many adventures together.

One day, Lily and Babysaur were playing in the park when they saw a group of children playing with a ball. Lily wanted to join in, but she was afraid to leave Babysaur alone.

"Don't worry," said Babysaur. "I'll be right here." So Lily ran off to play with the other children.

Lily had so much fun playing with the other children that she forgot all about Babysaur. She played for hours, until she finally realized that it was getting dark.

Lily ran back to where she had left Babysaur, but he was gone! She looked everywhere, but she couldn't find him.

Lily started to cry. She didn't know what she would do without Babysaur. He was her best friend.

Just then, she heard a familiar voice. "Lily?"

Lily turned around and saw Babysaur standing right behind her. She was so happy to see him that she hugged him tightly.

"I'm so glad I found you," said Lily. "I love you more than anything in the world."

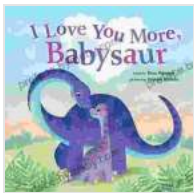

"I love you too," said Babysaur.

Lily and Babysaur went home together, and they lived happily ever after.
