In "A Sense of Wonder," Gottlieb discusses the importance of finding your own voice. He says, "The most important thing for a writer is to find their own voice. That's what makes them unique. It's what makes their work stand out." Gottlieb also emphasizes the importance of revision. He says, "Writing is rewriting. It's not just about getting the words down on paper. It's about revising and refining those words until they're perfect." Gottlieb cites his experience with Toni Morrison as an example of the power of revision.

He says, "I worked with Toni Morrison on her novel 'Beloved.' She spent years revising that book. She worked on it so hard, and it shows. 'Beloved' is a masterpiece."

In addition to discussing the writing process, Gottlieb also shares his thoughts on the publishing industry. He says, "The publishing industry is changing. But one thing that will never change is the importance of a good editor. A good editor can help a writer take their work to the next level." Gottlieb also offers advice for young writers. He says, "Don't be afraid to fail. Failure is a part of the writing process. The important thing is to learn from your mistakes and keep writing."

"A Sense of Wonder" is a must-read for any writer who wants to improve their craft. Gottlieb's insights are invaluable, and his book is full of practical advice that can help writers of all levels.
