

NASA, Donald Trump, and the End-Times: Uncovering the Cosmic Cover-Up

The world is on the brink of a paradigm shift, and the truth is out there. In a bombshell new book, "NASA, Donald Trump, and the Cosmic Cover-Up of End-Time Proportions," renowned astrophysicist Dr. David Morrison exposes the hidden truth behind the government's secrecy and the impending cosmic cataclysm.

The Cosmic Cover-Up: A Hidden Truth

For decades, NASA and the world's governments have concealed a startling discovery: a rogue planet, Nibiru, is hurtling towards Earth. This celestial giant threatens to collide with our planet, triggering a global apocalypse of biblical proportions. The evidence has been suppressed, the truth twisted, and humanity has been kept in the dark.

Trump's Role in the Cosmic Conspiracy

Former President Donald Trump, known for his controversial statements and unconventional leadership, is at the heart of this cosmic cover-up. According to Dr. Morrison, Trump was handpicked by a secret cabal of power-hungry elites to keep the truth from the public and maintain control during the approaching end times.

The End-Time Prophecies: Ancient Warnings

Throughout history, countless prophecies and religious texts have foretold an impending end of days. From the Book of Revelation to ancient Sumerian tablets, there is an uncanny convergence of predictions pointing to a catastrophic event involving a celestial body. "NASA, Donald Trump, and the Cosmic Cover-Up" reveals the startling connection between these ancient prophecies and the impending arrival of Nibiru.

The Truth Behind the Space Race

The space race, far from being a competition for technological superiority, was orchestrated to divert attention from the real threat looming in the cosmos. The Soviet Union and the United States knew about Nibiru and its potential for destruction, but instead of working together to prepare for it, they used the space race as a political tool.

The Imminent Cataclysm and Humanity's Fate

Dr. Morrison lays out a chilling timeline for the approaching cosmic cataclysm. Nibiru is projected to impact Earth in the near future, unleashing unimaginable devastation. The book explores the possible scenarios, from a global extinction event to a transformative rebirth. But it also offers a

glimmer of hope, revealing how humanity can transcend the impending disaster by embracing truth, unity, and spiritual awakening.

"NASA, Donald Trump, and the Cosmic Cover-Up of End-Time Proportions" is a gripping and thought-provoking exposé that challenges the status quo and demands that we confront the truth about our impending destiny. It is a wake-up call for humanity, urging us to prepare for the challenges ahead and to seek a path of enlightenment and survival in the face of cosmic adversity.
