The volume begins with the Straw Hats arriving at the Wano Country. They are immediately greeted by a group of samurai, who are led by the daimyo Kozuki Oden. Oden welcomes the Straw Hats to Wano, and tells them that he has been expecting them. He then explains that he is the rightful shogun of Wano, but that he was overthrown by the current shogun, Kurozumi Orochi. Oden asks the Straw Hats to help him overthrow Orochi and restore him to his rightful place.

The Straw Hats agree to help Oden, and they set out to gather allies. They first meet up with the Nine Red Scabbards, a group of samurai who were once Oden's retainers. The Nine Red Scabbards are all powerful warriors, and they are eager to help Oden reclaim his throne.

The Straw Hats and the Nine Red Scabbards then set out to gather more

allies. They travel to the Flower Capital, where they meet up with Trafalgar

Law and his crew. Law is a powerful pirate, and he is also a skilled doctor.

He agrees to help the Straw Hats and the Nine Red Scabbards overthrow

Orochi.

The Straw Hats, the Nine Red Scabbards, and Trafalgar Law then form an

alliance. They call themselves the Kozuki Alliance, and they are determined

to overthrow Orochi and restore Oden to his rightful place.

The Kozuki Alliance then sets out to attack Orochi's castle. They are met

with fierce resistance from Orochi's forces, but they are ultimately

victorious. Orochi is defeated, and Oden is restored to his rightful place as

shogun of Wano.
