

Princess Mary: The First Modern Princess

Princess Mary was the daughter of King George V and Queen Mary of the United Kingdom. She was born in 1897 and died in 1965. Mary was a popular and beloved figure in British society, and she was known for her beauty, intelligence, and kindness. She was also a pioneer in many ways, and she helped to change the role of women in the royal family.

Mary was the first British princess to attend university. She studied history at the University of London and graduated in 1919. Mary was also the first British princess to work outside the home. She worked as a nurse during World War I and later as a volunteer with the Red Cross.

Mary's work outside the home and her education helped to change the role of women in the royal family. She showed that women could be more than just wives and mothers, and that they could make a difference in the world.

Mary was also a fashion icon. She was known for her elegant and stylish clothes, and she helped to popularize the use of makeup and jewelry among British women.

Mary married Viscount Lascelles in 1922. They had two children, George and Mary. Mary was a devoted wife and mother, and she loved spending time with her family.

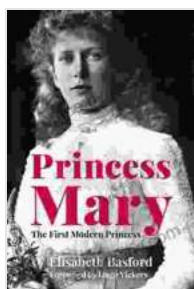

Mary died in 1965 at the age of 68. She was mourned by the entire nation, and she is still remembered today as one of the most beloved members of the British royal family.

Legacy

Princess Mary's legacy is one of change and progress. She helped to change the role of women in the royal family, and she showed that women could be more than just wives and mothers.

Mary was also a pioneer in the field of fashion. She helped to popularize the use of makeup and jewelry among British women, and she is still considered to be one of the most stylish women in history.

Mary's legacy is one of inspiration. She showed that anything is possible if you set your mind to it. She was a role model for women all over the world, and she continues to inspire people today.
