The 10th Mountain Division was formed in 1943, and it was made up of skiers, climbers, and mountaineers. These men were trained to fight in the harsh conditions of the mountains, and they were equipped with specialized gear, such as skis, snowshoes, and ice axes.

The 10th Mountain Division first saw combat in Italy in 1944. They fought in the Apennines Mountains, and they helped to break the German line at

Monte Cassino. The division then moved on to Austria, where they fought in the Battle of the Bulge. The 10th Mountain Division played a key role in the Allied victory in World War II, and they were awarded the Presidential Unit Citation for their bravery and heroism.

This book tells the story of the 10th Mountain Division in vivid detail. It is a story of courage, sacrifice, and triumph. The book is illustrated with over 100 photographs, and it includes firsthand accounts from the soldiers who fought in the war.

The Epic Story of America's First Mountain Soldiers and the Assault on Hitler is a must-read for anyone interested in World War II history. It is a story that will inspire you and make you proud to be an American.
