The Science of Getting Rich was originally written by Wallace Wattles in 1910. Wattles was a successful businessman and author, and he knew firsthand the power of positive thinking and the law of attraction. In *The Science of Getting Rich*, Wattles outlines a step-by-step process that you can follow to achieve financial success.

This updated version of *The Science of Getting Rich* by Sunil Tulsiani and Cora Cristobal includes new insights and exercises to help you apply the principles of the book to your own life. Tulsiani and Cristobal are both

successful business leaders and authors, and they have a deep understanding of the principles of wealth creation.

In *The Science of Getting Rich*, you will learn how to:

- Identify your financial goals
- Create a plan to achieve your goals
- Overcome the obstacles that stand in your way
- Stay motivated and focused on your goals
- Achieve financial freedom and abundance

The Science of Getting Rich is a powerful book that can help you achieve your financial dreams. If you are ready to take control of your finances and create a life of wealth and abundance, then this book is for you.
