**Empower schools with the tools to create a positive and supportive learning environment for all students.**

The Third Edition of *Conducting School-Based Functional Behavioral Assessments* provides a comprehensive and evidence-based approach to understanding and addressing challenging student behaviors. This essential guide has been updated and revised to reflect the latest research and best practices in school-based functional behavioral assessment (FBA).

Written by leading experts in the field, this book provides a step-by-step framework for conducting FBAs, including:

- Identifying antecedents and consequences of problem behaviors
- Developing hypotheses about the function of problem behaviors
- Conducting functional analyses to test hypotheses
- Developing and implementing behavior intervention plans
- Monitoring and evaluating the effectiveness of intervention plans

*Conducting School-Based Functional Behavioral Assessments* is an essential resource for school psychologists, counselors, administrators, and teachers who are committed to creating a positive and supportive learning environment for all students.

### **What's New in the Third Edition?**

The Third Edition of *Conducting School-Based Functional Behavioral Assessments* has been updated and revised to reflect the latest research and best practices in the field. New features include:

- A new chapter on the role of culture in FBA
- Expanded coverage of trauma-informed FBA
- Updated information on the use of technology in FBA
- New case studies and examples
- A companion website with downloadable resources

## **Praise for *Conducting School-Based Functional Behavioral Assessments***

"*Conducting School-Based Functional Behavioral Assessments* is a comprehensive and practical guide to understanding and addressing challenging student behaviors. This book is an essential resource for school psychologists, counselors, administrators, and teachers who are committed to creating a positive and supportive learning environment for all students."

**—Dr. James McDougal, Professor of Special Education, University of North Carolina at Chapel Hill**

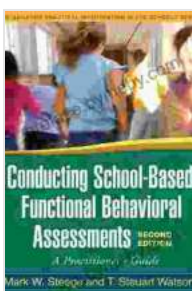

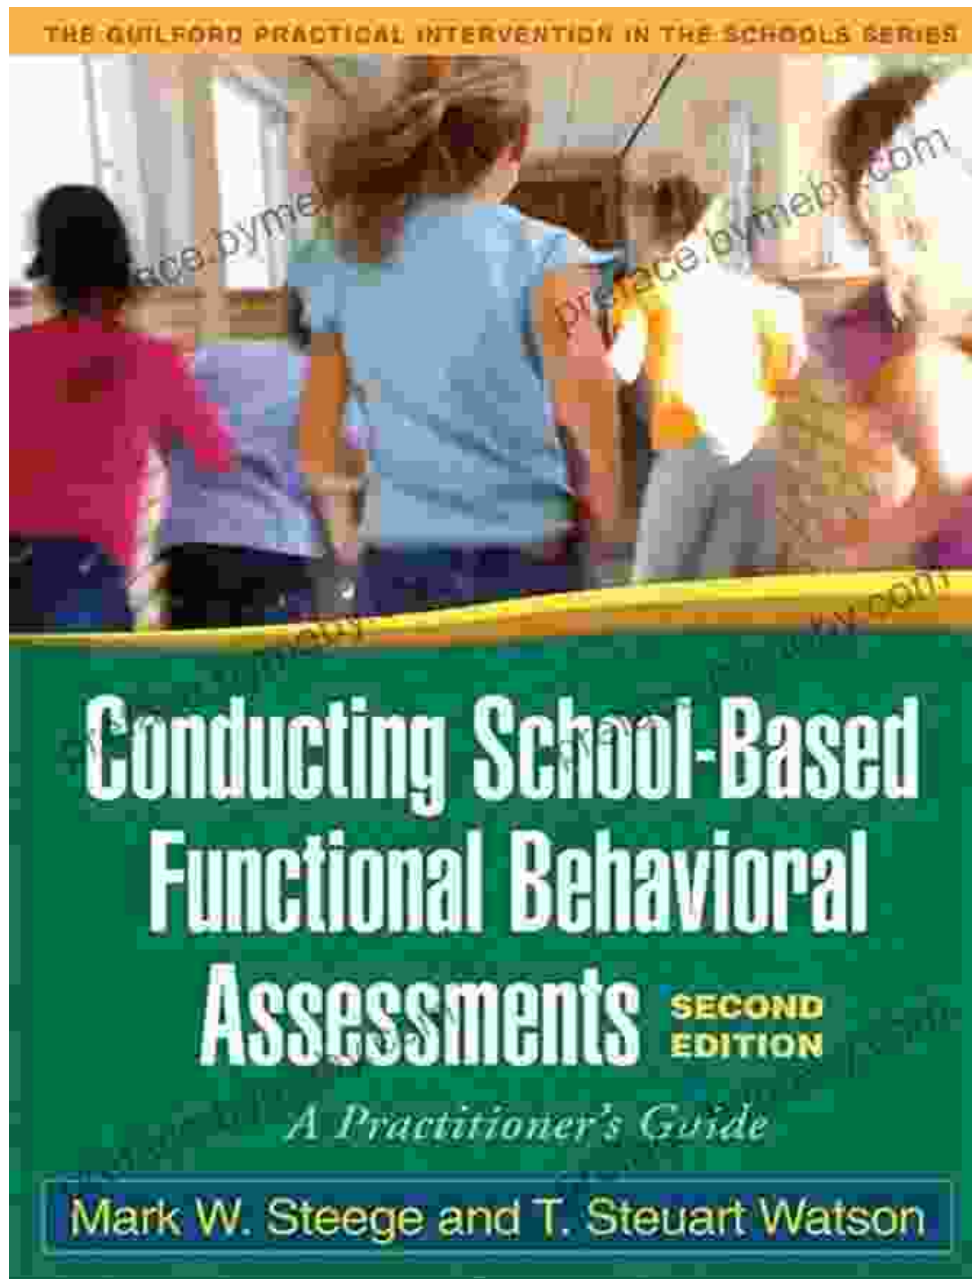

"The Third Edition of *Conducting School-Based Functional Behavioral Assessments* is a must-have for anyone working with students with challenging behaviors. This book provides a step-by-step framework for conducting FBAs, and it is packed with practical tips and strategies. I highly recommend this book to all school-based practitioners."

**—Dr. Rachel Brown-Chidsey, School Psychologist, Fairfax County Public Schools**
